MCC History

The Missoula Community Chorus was organized over the summer of 2001, and began rehearsals September 13th that year. Our first public appearance was at Caras Park one week later, at Missoula's Memorial Service for 9/11. Those circumstances only increased our commitment to creating community through music-making.

Mission Statement

Inspiring Community through Music

Vision Statement

The Missoula Community Chorus (MCC), a **non-audition choir**, envisions:

- Inspiring a sense of community through a pursuit of excellence in great choral music.
- A community where persons of all ages, cultural heritages, financial circumstances and musical ability are welcome as individuals.
- A community where all can feel emotionally nurtured and musically enriched.
- Inspiring community through joint projects with other local music, arts and non-profit organizations.

General Member Information

We encourage current singers to **register for sessions early** to “reserve” their seat in the chorus. While we are a non-audition choir, we do have a size limit, and space is on a first-come basis. Singers on the waiting list will be given seats as places become available.

Attendance at rehearsals is crucial to your success as a musician. Assistance Chorus Manager Jenny Skrivseth takes attendance. We ask that you always let us know **in advance** if you will miss any rehearsal. Even last-minute phone calls or emails letting us know you’re suddenly not well will be much appreciated. When we know not to expect you we’ll call these informed absences. By letting us know before-hand our conductor can anticipate any large numbers of absent singers and plan our rehearsal accordingly. Singers may miss up to 3 rehearsals during a session.

The conductor may approach anyone with excessive absences during a session, informed or otherwise, to see if their musical preparedness is sufficient to remain in the chorus for that session. Please refer to the Policies and Procedures (available upon request or on our website) for more information.

Important: While attendance at scheduled rehearsals is essential, your attendance at Dress Rehearsal is MANDATORY; if you don’t attend, you cannot sing in the concert.

Preparation: Although this is a non-auditioned ensemble that encourages people of all musical backgrounds and otherwise to join we are a **performing ensemble**. It is expected each member takes personal responsibility for the preparation and mastering of their music to ensure our concerts are a positive experience for singers and audience alike. Mentors are available to assist any singer who would like a little extra help learning the music. Ask your chorus representatives, conductor, or assistant chorus manager if you would like a mentor.

Participation: The success of this organization depends on the help of volunteers; we depend not only on your musical talents, but also your efforts to sell tickets, publicize performances, encourage patrons and donors, recruit members, serve on committees, and for special appearances, make costumes and collect props. It is important to understand, from the beginning, that this part of membership is expected

of each singer. You are invited to participate in setting up chairs, working with the music “police” to prepare folders, erase music etc..., as well as provide snacks for rehearsals.

Sections: You may select whichever section you feel most comfortable singing in. You may be asked by the director to sing a specific part for the good of the chorus.

Performance Department:

Walk on and off **RISERS** quickly with your music folder in your hand away from the audience. Do not talk! Open your music folder when the conductor walks on stage and signals for you to open your folder.

WATCH the conductor! Please hold your music folder so that it points towards our conductor and watch him over the top of it.

NO TALKING between pieces, or during rests! A “knowing glance” to your neighbor can throw you off; instead, beam those glances straight ahead to support the conductor’s sense of purpose.

If you are unsure of your note/entrance/ability, **MOUTH** the words until you can join back in. Enjoy the comfort of being supported by your musical cohorts. You will be their support next time.

TURN your pages QUIETLY! 100 “licked and flipped” pages are pretty darn noisy from the audience’s perspective. *Lift, turn, and gently place each page.*

At the end of each piece, do not talk! **Smile!** ☺ Enjoy the moment! Bask in the glow of the audience’s attention and rapture. Then, during the applause, gently lift, turn and place your pages to the next piece.

LOVE each piece you are singing! Be like the person who enjoys telling a good joke – and you have an especially good one to tell. Look forward to the audience’s pleasure; you have an enjoyable thing to share with them!

Folder & Sheet Music Care:

We often borrow scores or octavos in order to keep participation fees low. It is our responsibility to return music in the same condition we received it. Our folders have been given over the years as a donation. Replacement folders cost \$50. You will be assessed fees to cover replacement costs for damaged music and folders. We have a wonderful group of dedicated volunteers known as the "Music Police" who distribute and organize our ever growing library. Please let them know how much they are appreciated by following these guidelines:

- 1) Always use PENCIL to mark your music. A pencil is a musician's best friend. And, best of all, it erases! Keep one in your folder at all times. Please do not use high lighters or pen at any time.
- 2) Use PAPER CLIPS or STICKY NOTES if you want to mark a specific page to turn to. Please do not dog-ear pages.
- 3) If you notice the binding is wearing, please TAPE it carefully with a sturdy, clear tape. Do not use staples unless you are replacing previous staples.
- 4) Octavos and some scores can be inserted in your folders through the elastic cords. **NEVER** 3-HOLE PUNCH octavos or scores. Xeroxed music may be 3-hole punched and placed in the 3-hole binder.
- 5) Please, **NO STICKERS** of any type on your folders. Each folder is numbered. Remember your number! You can place your name-tag in the clear plastic pocket to keep handy for rehearsals.
- 6) If you wish to remove the 3-ring adaptor, here's how to do so without damaging your folder: Carefully lift the elastic cords attaching the adaptor, off the fingers at the top or bottom of the spine. Slide the adaptor off and replace the cord on the fingers. Be sure to turn in your adaptor with you folder! They cost \$1.50 to replace.
- 7) "Magazine holders" will be available this season for use in your choral folder. These have been donated to the chorus so please leave them in your folder when you return it. They fit the 3-ring adaptor and some people prefer these to the elastic cords. Please do not remove the elastic cords from the folder.
