Let the Missoula community know you support local performing arts and value the unique gift the performance of song can offer.

We are the largest non-auditioned choir in the region putting on top quality performances to audiences of around 400 semi-annually. We strive to be an ensemble open to anyone with a love of music, performers and audience alike, offering low ticket prices and an inviting concert atmosphere.

Your contribution will not only help your business but help underwrite the cost of putting on these special concerts and encourage the art of song and performance in our community.
